Justin Martinez  
Summit County Sheriff Candidate

*Re: Endorsement*

Mr. Martinez,

It gives me great pleasure to give you the endorsement of the Fraternal Order of Police, Summit Wasatch Lodge #20, and Park City Lodge #3 for the Office of Sheriff of Summit County, Utah.

The over 60 members of both lodges do not give this endorsement lightly. In order to give you our endorsement, we took into consideration your experience, leadership, education, and service to the citizens of Summit County. Furthermore, you are a member of the Summit Wasatch Lodge #20.

You have served law enforcement in various positions that include: corrections, patrol, court services, SWAT Commander, Division Commander, and Bureau Chief. You are also greatly engaged in the community and take great care in serving the best interest of the citizens. You have proven through your leadership that the profession of law enforcement requires leaders and managers to have higher education. You have earned your degree in higher education and have been supportive in encouraging fellow colleagues to pursue that path.

In considering our endorsement, we understand the Office of Sheriff greatly impacts the community and the men and women who serve in the local law enforcement agencies. It's very important that the men and women who work under the direction and leadership of the sheriff support, trust, and respect that executive position.

Mr. Martinez, we as members of the local lodges of the Fraternal Order of Police, feel that if you are elected to the Office of Sheriff of Summit County, you will take the Office to another level, and will continue to make the citizens proud of law enforcement in Summit County.

Please accept our ENDORSEMENT for the Office of Sheriff of Summit County, Utah.

Sincerely,

Andrew Wright, President
